O R D E R

On August 12, 1983, the Public Service Commission ("Commission") entered an Order in Case No. 8590 wherein it approved the fuel adjustment charges collected by Kentucky Utilities Company ("KU") through the fuel adjustment clause for the period November 1, 1980, through October 31, 1982, and authorized KU to adjust its rates in order to transfer fuel costs to its base rates.

KU notified the Commission by letter dated August 19, 1983, that Appendix A to the Order is incorrect in that Rate 33 - Electric Space Heating Rider - Restricted was eliminated in Case No. 8624 and should have been deleted. Further, the street lighting rate approved in Case No. 8865 by Order issued August 5, 1983, should have been included.

The Commission has confirmed KU's findings and amended the Appendix to the Order issued in this case.

IT IS THEREFORE ORDERED that Revised Appendix A be and it hereby is approved for bills rendered on and after September 1, 1983.

IT IS FURTHER ORDERED that all other provisions of the Commission's Order entered August 12, 1983, not amended herein shall remain in full force and effect.
